**ERASMUS MUNDUS BMU-MID -
Mobilities for Innovation and
Development**

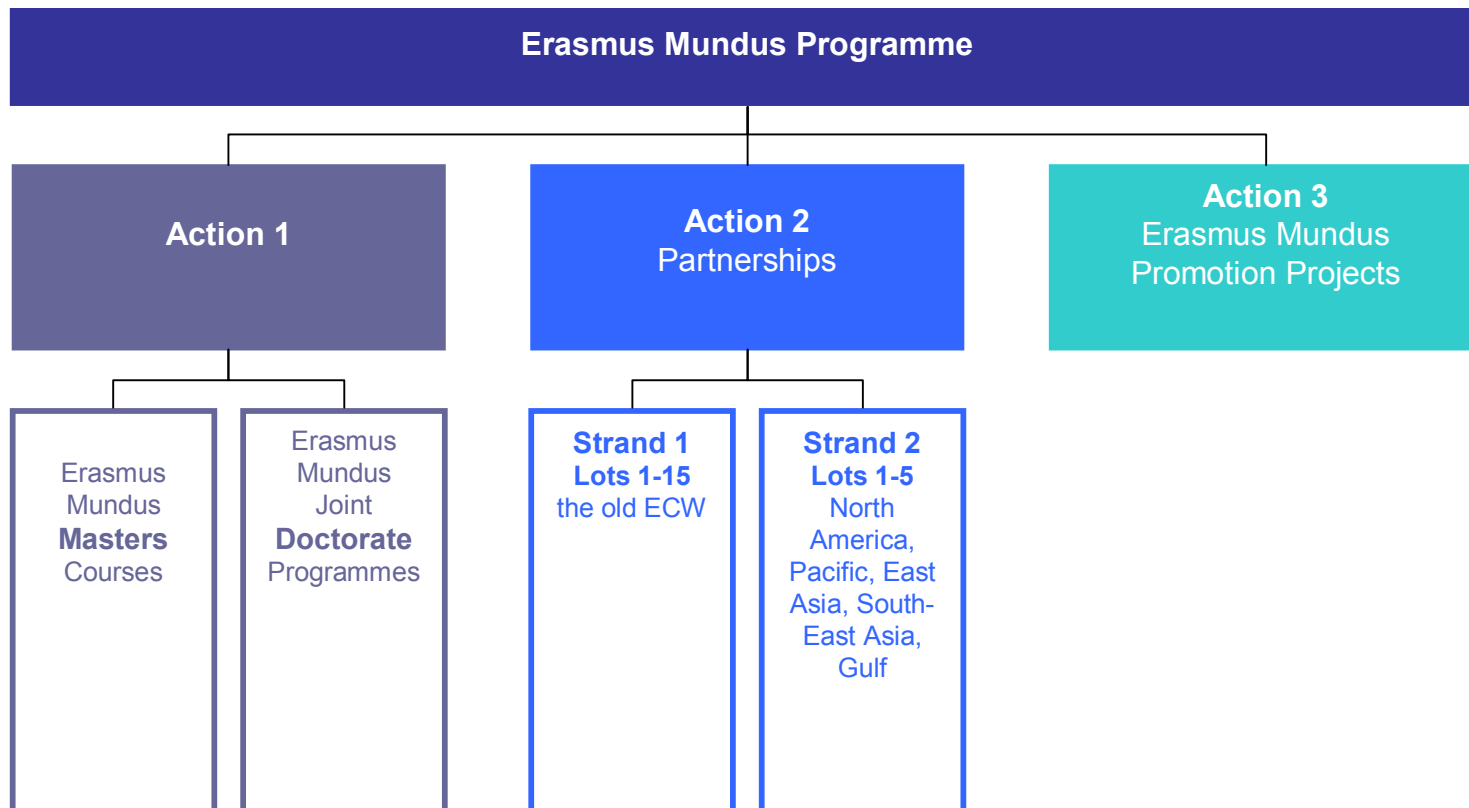

14 October 2011

Elina Tulla

ERASMUS MUNDUS

Turun yliopisto
University of Turku

MOBILITIES FOR INNOVATION AND DEVELOPMENT

- Enhance institutional capacity of partner universities to understand standards and demands of international education
- Reinforce functions and policies that develop structured international activities in academic institutions.

MAIN BENEFITS 1/3

- Further development of integration in the European scientific and educational area;
- Internationalization of universities scientific and educational activities;
- Strengthening of cooperation with foreign universities and research centres; new innovations in teaching and research

MAIN BENEFITS 2/3

- Broadening of the list of educational programs and courses taught in foreign languages; new ideas on the curricula and the courses
- Re-training and professional development of university lecturers and staff; non-mobile students enjoy lectures given by visiting experts
- Further development of the university quality assurance system, the ECTS;
