2019 – SPCPU 100th anniversary

2020 – Turku University 100th anniversary (Finland)

**IX All-Russia Scientific Conference of Students and Postgraduates
with International Participants
“YOUNG PHARMACY - POTENTIAL OF THE FUTURE”
22-23 April 2019**

IX All-Russia Scientific Conference of students and postgraduates with international participants will be held on **April 22-23, 2019** in St. Petersburg Chemical-Pharmaceutical University of the Ministry of Health of Russia (14, Prof. Popov street, St. Petersburg).

The Conference is one of the most significant events in the field of education and pedagogy supported by the Ministry of Health of Russia. The Conference is accredited under "U.M.N.I.K" program and is held with the support of “ScanBalt Bio”- International Organization of the Baltic Sea Region Countries.

Conference international participants will include scientists from Germany, Kazakhstan, Lithuania, UK, Finland

Conference Scientific Agenda:

- The search for innovative medicinal substances.
- Microreactor technology for synthesis of active pharmaceutical substances.
- Chemical cybernetics. Physical methods for intensification of chemical processes.
- Modern approaches to standardization of medicines.
- Experimental pharmacology. Issues of the biological activity of substances of synthetic and natural origin
- Additive technologies in pharmaceutical practice
- Drugs for pediatric practice
- Biotechnology and bioengineering: breakthrough technologies in the development of active pharmaceutical substances.

- Antimicrobial activity of new synthetic compounds and biologically active metabolites of microbial origin
- Investigation of the state, main trends, and problems of the Russian pharmaceutical industry.
- Legal protection of medicines, as objects of intellectual property and current issues of medical law.
- Foresight of the labor market and the education system in the field of pharmacy.

The meeting between future experts and potential employers is the Conference main objective, as it helps effectively organize professional orientation of students and graduates on the annual basis, therefore increase domestic pharmaceutical industry competitiveness.

The significance of the Conference is defined by the annual list of sponsors and partners such as: “Takeda”, “BIOCAD”, “CYTOMED”, “R-Pharm”, “ROSTA” pharmaceutical group, “VERTEX”, STADA CIS, “Sartorius”, “Pharmproject”, “St. Petersburg Pharmacies”, “Geropharm”, “AstraZeneka”, “Samson-Med”, “NEVIS Pharmacy” network, “Pharmcontract”, “POLISAN” Science & Technology Company”.
