Lecturers of Finnish language and other support activities for language and culture studies

Information services, e.g. study abroad counselling & Study in Finland service

Marketing of Finnish HE together with HEIs; student fairs, material...

Expert seminars, projects

Studies & analysis

Some conclusions and perspectives seen from CIMO

New EU programme generation 2014-2020 with more funding for higher education and research

=> Increased importance strategically and as support instrument

Competencies & employment, economic crisis

=> Cooperation with working life, work placements, international careers, "utilitarian" view also on int'l cooperation

Strategic partnerships and networks, systematic & well-planned internationalisation; different ways to cooperate
