OF ECONOMICS**

# **Incoming Student Mobility: Experience and Outlook**

Alexandra Drugova, St. Petersburg State University of Economics

# Experience

## Major problems for students

### Outgoing students

- Financial
- Studies recognition
- Language proficiency

### Incoming students

- Lack of motivation
- Fear
- Financial
- Legal status

# Experience

## Major problems for Universities

### Incoming mobility

- Students selection (free-movers)
- Stereotypes
- Control
- Visa issues
- Lack of professors able to teach in English
- Attitude to the mobility issues

# What is being done?

## Receiving Universities

### Students selection (free-movers)

- List of enrollment documents
- References from Home Universities
- On-line interview

### Stereotypes

- Feedbacks from students
- Home Universities Duty

# What is being done?

## Receiving Universities

### Control

- Classes attendance control
- Events arranged by the Host University
- Tutors
- Feedbacks form professors

### Visa issues

- ??????

# What is being done?

## Receiving Universities

### Lack of professors

- Raising a new generation of professors
- Presentation and Language skills  
classes provided by Host Universities
- Training abroad

# Why?

## For Universities

- Quality control and improvement
- Competitive ability raise in the International Market
- International research
- International affairs development
- Investment attractiveness

## For Students

- Intercultural experience
- Introduction to different educational systems
- Academic challenge
- Development of professional horizons
- Competitive ability in a labour market
